

coronn.com provides maps and so called TOPOS, climbing guides for the climbing areas in Europe regarded to be among the best. We also publish maps so that our readers can find their way to the crags. This map could be used for anyone that is planning to arrive in Milano / Bergamo and is heading for Lago di Garda. Print it as an A3 or as an A4 and bring it with you on your journey. To reach Lago di Garda from Bergamo, take the highroad A4 / E64 in the direction of Venezia. After Brescia, turn of in the direction of Salò on road S 45 Bis.

View from Nago, North part of Lago di Garda
