|-----------------------------|----|
| 1. Hängel bängel            | 4  |
| 2. Carolas fingerknäckarled | 7  |
| 3. Sir Vääs                 | 5  |
| 4. Flugan kräks             | 6  |
| 5. Velociraptorklon         | 4- |

### Find the crag:

From Helsingfors: Pass the two roads that leads to Karis. About 1 km after the last one you should take left in the direction of Snappertuna/Roseborg. After 3 km a small road to the left will take you to the crag. You will find a ruin 200 meters from the crag .
